2. Can be used for infusion set with I.V. catheter;
3. Luer connector conforming with ISO 594-2;
4. Resistance to overriding.
5. Resistance to easy loose once the luer locked.
6. Sterile blister packing

### Composition and package information:

Composition of red cap	PP		
Part dimension	φ 10*21.1mm		
Unit part weight	0.4 g		
Quantity (pcs/box)	100 pcs	Quantity (pcs/Carton)	1,000 pcs
Carton size (mm)	430*150*190mm	Carton weight (kg)	1.6 kg
